

Terms and Conditions for adopting a tree or bush with Cyclic Matter

I. The adopter can choose the trees that are solicited and presented by Cyclic Matter on this website, which are going to be planted in Grotas, our community garden. Cyclic Matter will take responsibility over all the maintenance of the tree, which includes: planting, watering, feeding, pruning, care in case of disease, exclusively with ancient and natural methods. Cyclic Matter does not use fito-pharmaceuticals, nor synthetic commercial fertilizers.

II. By adopter, we mean who pays for the costs of the tree. If this adoption is a gift, the adopter needs to provide us with both electronic and postal addresses of the person who will receive the adoption material, being this person designated as 'nanny'/'ama'.

III. There are two ways in which you can adopt:

- a) The Seed Pack
- b) The Growing Pack

a) **Seed Pack:** the adoption is processed in just one payment, and only the four trees that are designated as 'help the soil and shade it' (*Amieiro, Cedro do Buçaco, Carvalho Português e Sobreiro*) are available in the Seed Pack.

The adopter receives:

- The possibility of planting a tree on the land in person
- Access to the Community Garden
- Adopter Identification Card
- Identifier plaque with the tree species and the name of the adopter in the Community Garden
- Catalogued on the website

b) **Growth Pack:** the adoption has a minimum of five years. However, the adopter may transfer the testimony of adoption at the end of the year. In case the adopter can't continue making the yearly payment, they have the responsibility of finding someone who will commit and make the yearly payment instead. Matéria Cíclica sends a reminder a month before the yearly payment date. The Growth Pack includes:

- The possibility of planting a tree on the land in person
- Access to the Community Garden
- Adopter Identification Card and Testimony of Adoption
- Identifier plaque with the tree species and the name of the adopter in the Community Garden
- Catalogued on the website
- Feature on social media with the tree name at the time of planting
- Seasonal newsletter with Matéria Cíclica's news and personalised updates pertaining to the adopted tree four times a year
- Spontaneous updates on social media, with the possibility of the adopter, or the nanny, being tagged
- Celebratory yearly video

IV. Payment is by bank transfer or PayPal. As soon as it is confirmed, Matéria Cíclica will send a confirmation email. We will also contact you to appoint a time for planting.

Seed Pack: €50

Growth Pack for bushes: €15 per year

Growth Pack for trees: €25 per year

V. Adopters benefit from 20% discount on *Flora and Fauna Around the World Dining Experience*, at Bukubaki from June to November 2020. This discount is available to the nanny if applicable.
